Nivel is partnering with Star EV to continue delivering service parts and accessories for our valued partners. Items featured within this brochure are considered to be commonly used items. Please be sure to speak with your rep for the latest information on all Star EV product offerings.

Items featured with this symbol are readily available in stock.

STAR SIRIUS®

The **Star Sirius®** also has the ability to seat 2, 4, 6 and 8 passengers.

This golf car was named after the brightest star in the night sky, with the goal to be the perfect personal transportation vehicle.

A key benefit is the automotive style suspension, not featured on standard golf cars and is specific to Star EV Sirius® vehicles.

Additional features (Sirius & Capella):

- Digital Display
- Emergency Flashers
- Turn Signals
- High/Low Beams
- LED Taillights
- Daytime Running Lights

STAR CAPELLA

The other partner to this is the **Star Capella**, with the ability to seat 2, 4, 6 and 8 passengers.

Featuring independent suspension, digital display, and storage and a sleek new front - this is considered the sibling to the Star Sirius.
